Our New President, 2012-13

Peter Benevento was elected President of the Lake Carmi Camper's Association, Inc. at the

August 4 annual meeting. The meeting, held in the Franklin Town Hall, was well attended with nearly 80 members attending the great Pot Luck dinner coordinated by Helen Dever. President

Benevento wrote this letter to the membership:

Greetings Lake Carmi fans:

I'm Pete Benevento, President of the LCCA for 2012-2013. Many of you I know personally. Others may know me from the Franklin Watershed Committee or from seeing me frequently jogging along lake roads. I first visited Lake Carmi in 1971 and have been coming back ever since. In 1991 Marion & I purchased our camp on Patton Shore. For many years we had commuted on weekends to the lake from Massachusetts. Upon retirement we made Lake Carmi our summer residence. I feel fortunate to be able to call Lake Carmi my summer home and will work hard as your President to improve the lake environment for lake residents and the people of the Town of Franklin.

Over the years both the lake and the LCCA have evolved. Once primarily surrounded by small fishing camps the lake today has mostly seasonal homes with year round residences fast becoming a reality. The LCCA once primarily a social organization has emerged as a fund raising, event

sponsoring organization to enrich the lives and summer experiences of both lake and town residents. The July 4th fireworks and ensuing weeklong series of events has become a highlight of the summer season. As a result the LCCA has assumed many additional responsibilities and expenses in its mission to improve life at the lake. After long discussions, the Board of Directors has therefore voted to increase the annual dues by \$10.00 to \$35.00 per year effective with 2013. This is a modest increase in dues and first increase in more than ten years.

The increase in dues will also give us more flexibility in evaluating the best methods to improve the water quality of the lake. The long, hot and dry period of weather we experienced this summer turned the lake very green in August with algae blooms. We must find ways to correct these conditions so the lake is enjoyable the entire summer. We all have a right to clean water.

Another changing aspect of the LCCA is that we are active all year long and not just the summer months. The Directors and planning committees continue to prepare summer events throughout the winter months; convening by teleconferencing to assess, organize and implement various activities. Of special note this winter is the emergence of a new LCCA web site. We are working hard to publish and present a new professional caliber web site during the next several months. The new website will provide a quick and effective means of communication and will also provide the ability to interact with the lake and town community.

Lastly, the LCCA is entirely a volunteer organization. We can always use help and the addition of new ideas. Get involved. Look for the schedule of 2013 meeting dates in the special issue newsletter.

Have a safe and healthy winter and see you in the spring!

Pete Benevento, President

Celebrate Lake Carmi

Celebrating life at Lake Carmi is what we do every day. That's why the Board of Directors has approved the suggestion that we change the name of annual July 4th week, from Lake Carmi Days to *Celebrate Lake Carmi*.

This, now annual, event draws more residents into Franklin than ever before for so much activity at the lake. From fireworks on July 3, to the annual Pontoon Boat Relay Races, and several more events. Your hard working *Celebrate Lake Carmi* core committee members are planning now for next July's events.

We'll be back with the standards, but we're looking for some new activities. How about a kayak event, not necessarily a race, maybe a nature paddle around the lake? Ideas needed. Who would like to grab this and paddle with it, all the way to next July, making it a great new event?

Another suggestion is for a "cardboard boat challenge," with all boats being made out of only cardboard, duct tape, glue and maybe a little paint. This sounds like great fun and something everyone in the family could participate in. Who would like to grab this event and swim or sink with it?

Director Katharine DeLorenzo has volunteered to head up the development of a sailboat regatta for our big celebration. Many of you will be hearing from her as she and her committee put everything together.

Pontoon Boat Relay Race chair, Bob Lumnah, is looking for area captains to handle coordination of the on shore events as we prepare the big week for 2013. There are many opportunities to help out.

Membership Drive Successful

More than 250 residents and friends of Lake Carmi have sent in their checks to be members of the LCCA, Inc. for 2012. Treasurer Bob Baran sent out a letter to those who had not yet become members, getting the attention of several more annual members. The 2012 annual dues of \$25.00, were due in June. There is still time to do your part for your association. It is reported that we are at an all-time high in memberships.

Members get their new camp window card for identification throughout the year. When the

sheriff visits your cottage in the winter months, as they will be doing soon, if they find something wrong, they know who to call and where.

LCCA Members can be proud of their lake community and all the activities and events that take place during the summer months. Your board of directors and many volunteers, work all year, planning, producing and packaging events for the seasonal folks and area residents alike, to enjoy. The annual 2013 *Celebrate Lake Carmi* events will be upon us again in seven months. *Become an official part of our community.*

Board of Directors, 2012-13

The Board of Directors and Officers consists of fourteen members elected for three year terms. From the board the officers are elected, including President; Vice-President; Secretary; Treasurer; and Corresponding Secretary.

Each year, three directors terms are up and they may stand for re-election at the annual meeting. When a board member or officer resigns, the president and board of directors may appoint a replacement to serve until the next annual meeting. At the August directors meeting four new directors were appointed by the president and ratified by the board. The appointees replace directors who announced at the annual meeting they were not candidates.

Directors whose terms are up in 2013 are Robert Lumnah of Westcott Shore; Carolyn Rhodes of Camp Road (appointed); and Jay Shepard of Dewing Road (appointed).

Directors who terms expire in 2014 are Katharine DeLorenzo of Perry Landing; and Hilda Hendrickson of Vic's Crossing. We are short one director in this category and seeking a director to serve until the annual meeting in 2013.

Tracey Brown of Hammond Shore Road and Susan Prash of Vic's Crossing have been appointed to the board to serve until 2013. Polly Wright Gadbois was elected at the annual meeting to serve until 2015.

Officers Elected for 2012-13

Officer's terms are for one year; therefore they are up for election each year. The following officers were elected at the annual meeting: President, Peter Benevento; Secretary, Ruth Ann Krayesky; Treasurer, Bob Baran; Corresponding Secretary, Larry Myott.

Debbie Bushey was appointed Vice President at the August board meeting, replacing Helen Dever who declined the position at the annual meeting.

Franklin.At the August 15 Franklin Watershed Committee public workshop on shoreline management, consultants and state personnel demonstrated how water levels effect the shoreline of rivers and lakes with waves, floods and more. Nearly 40 attended the session, including our AmeriCorps Volunteers who were working on Lake Carmi projects for a couple weeks. They are shown here with FWC officer and now LCCA president Peter Benevento (left) and Franklin Watershed Coordinator Amy Soriano (right).

Bob has been active in Vermont Lions Clubs for many years, serving in many club and district positions. In the winter they live in Cape Haze, Florida. Bob serves the LCCA as treasurer. Sue Baran is a board member of the Franklin Homestead.

Peter Benevento grew up in Staten Island, New York. His first introduction to Lake Carmi was in 1971 when he was invited to spend the 4th of July weekend at Lake Carmi with the Brown family on Hammond Shore. The Browns lived two blocks away on Staten Island. "Yvonne (Young) Brown, was my friends mother, who had grown up in Richford, whose family had built the family camp on Hammond Shore." He couldn't leave Lake Carmi after that one weekend; it kept calling him [There are many of us with that same calling]. Peter graduated from college with a Criminal Justice Degree and pursued a career in Federal Law Enforcement. Retiring in 2002 as special agent in charge of the I.R.S. Boston Field

Office he and Marion (also retired from the I.R.S.) became full time summer residents at the lake.

Pete and Marion reside in Uxbridge, MA when they can't be at Lake Carmi.

Tracey Brown is originally from New Jersey, she discovered Lake Carmi after her family bought a second home in Montgomery in the early 1970's.
